How to Connect Wireless Apple CarPlay

1, Long press switch button(different car with different switch button,check from installation diagram) to enter AutoSmartLink system main menu as below:

2, Then turn ON Wi-Fi from iphone's settings,you will find option of " WiFi-AP-**** ",but DO NO need connect it, and DON'T connect any other network.

Turn ON Bluetooth, find and click "AutoSmartLink", then according below steps get wireless connection

(Note: If "AutoSmartLink "shows connected,but didn't go to carplay,then click Setup ->Bluetooth -> Paired device -> WiFi CarPlay then iphone will show Use CarPlay request)
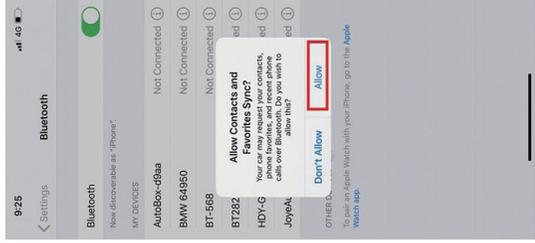

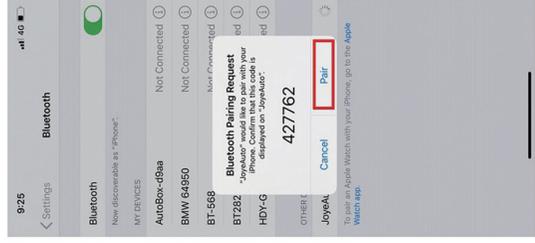

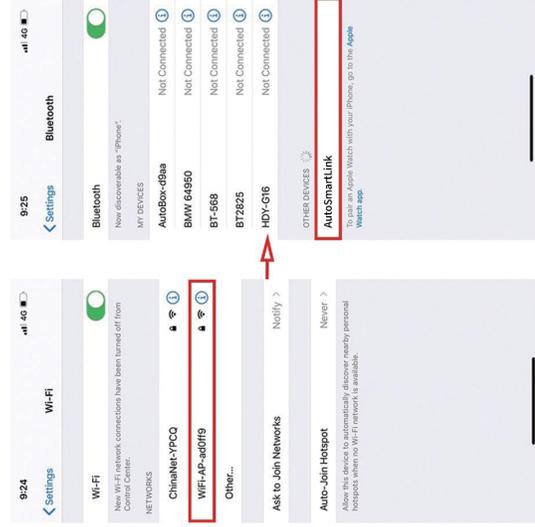

3, After 5 sec, it will enter CarPlay screen automatically, then enjoying…
